**POLITICAL COMMITTEES ESTABLISHED BY OR ON BEHALF OF A
LOBBYIST**

This list is issued by the Commission as required by the provisions of §9-333l(f), General Statutes. It contains the name of each political committee which *has filed* a certification with the Office of the Secretary of the State that it was established by or on behalf of a registered lobbyist. The committees which appear on this list are barred from soliciting and making political contributions during the 2000 legislative session to or for the benefit of (1) candidate and exploratory committees for statewide office and the General Assembly, including those of candidates who ran in the 1998 election and (2) other political committees which appear on the list entitled *Prohibited Recipients List of Political Committees*. Statewide office refers to the offices of Governor, Lt. Governor, Secretary of the State, Treasurer, Comptroller and Attorney General..

Individuals who are registered lobbyists are similarly barred from soliciting and making political contributions to or for these candidate and political committees. The ban applies from the opening of the legislative session on February 9 until adjournment *sine die* on May 3. The ban is not applicable to candidates in a special election to fill a vacancy in any legislative office.

This list was compiled by the Commission from the records provided by the Secretary of the State. It is distributed to each statewide officer and legislative leader enumerated in §9-333l(f), General Statutes. Any supplemental list(s) of newly registered political committees which are subject to these restrictions will be similarly distributed.

This list has been supplemented with recent filings from the Secretary of State's Office. All new committees and committees that have changed their name have been underlined.

Questions concerning application of these restrictions should be directed to the Commission at the address and telephone provided above.
